<i>All prerequisites and general education course work must be completed prior to admission to the Level I program</i>			

NOTATIONS:

- Prerequisite courses may be repeated one time only to obtain the required grade.
- Students should seek advising from the Health Science Department only.
- All felony convictions and certain misdemeanor convictions will prohibit admission to the nursing program.
- A “Request for Admission to Nursing” application form must be submitted between December 1 and March.
- Immunization records and Health Care Provider Recommendation are required for final admission (refer to the “Required Abilities” form).
- Students are ranked for acceptance into the program based on:
 1. Anticipated date of completion of prerequisite course work.
 2. Date of college application declaring nursing as program of study.
 3. Preference is given to those residing within Kirtland’s “local service area” (Kirtland’s district and certain counties contiguous to Kirtland’s district).
- Reentry into the Level I Nursing Program is allowed one time only (by written contract).
- Changing from the full-time program to the part-time program is considered a program reentry.
- Program course work must be completed within two years.
- A 3.0 GPA or higher (specific courses) is required for admission to the Level II nursing program
