

Alternative Spring Break Application

What is Alternative Spring Break at Kirtland?

The Alternative Spring Break (ASB) program is a substance-free, community service-learning trip during the college's spring break. ASB participants will travel in a team to inner city areas in Michigan from March 5th to March 10th. Participants will engage in active service and have the opportunity to gain new perspectives on issues facing Michigan while meeting real community needs.

Why do I have to fill out an application?

We want all Kirtland Students to have an opportunity to participate in Alternative Spring Break, but we also feel that getting a diversity of students involved in the program from a variety of different academic backgrounds and life experiences is important. Your application will help us to get to know you a little better!
