How did you hear about us? _____

Picture Policy: Due to the research and training orientation of the Kirtland Early Childhood Learning Center (ECLC), video, audio, and photo devices are used with regularity. These pictures may be used to document research, promote the program, create children's portfolios, document college student work, prepare for professional presentations and allow for parent observation. I _____ authorize Kirtland Community College and its Early Childhood Learning Center, The Warbler's Nest, to use a variety of media containing my child's image & voice to promote and enhance its program for student and professional growth.
