

SIENA HEIGHTS UNIVERSITY And KIRTLAND COMMUNITY COLLEGE

Siena Heights University, located at 1247 E. Siena Heights Drive, Adrian, MI 49221, with several Michigan degree completion centers and an online center, and Kirtland Community College, with locations in Roscommon, Grayling, Gaylord and West Branch MI, believe that collaborative programs benefit the community, employers, and students in their regions. It allows smooth transition for students transferring between institutions and maximizes allowable transfer of credits. Therefore, Siena Heights University and Kirtland Community College agree to enter into this Articulation Agreement as cooperating educational institutions and will maintain the integrity of their separate programs.

PRINCIPLES OF AGREEMENT

Siena Heights University (hereafter known as 'SHU') and Kirtland Community College (hereafter known as "KCC") confirm the following points of agreement, to assure equal treatment of university/college and transfer students.

- 1. Credit completed at KCC, will transfer towards a SHU baccalaureate degree according to the parameters below and the published transfer guide for the specific degree major.
- To receive a baccalaureate degree from SHU, KCC students must complete the admissions and program requirements of the SHU program of study, as identified in SHU's undergraduate catalog. Upon fulfillment of baccalaureate degree requirements, the degree conferred is a SHU degree.
- 3. Candidates must submit an official KCC transcript to SHU showing completion of KCC coursework (including completion and designation of an associate degree, where applicable). KCC coursework will be posted to the student's SHU transcript after initial enrollment at SHU. Coursework will be posted in accordance with the SHU baccalaureate degree requirements and requisite transfer policies. KCC students transferring without an associate degree will have credits evaluated on a course-by-course basis. SHU advisors will assist KCC students with the transfer process.

- 4. No time limit (years) shall be placed on the acceptance of credit transferable from KCC to SHU unless there is a specific policy limitation identified by SHU.
- KCC students transferring to SHU will be treated the same as native SHU students of equal class standing when applying for financial aid and when pre-registering for classes or accessing other student services.
- 6. SHU and KCC will ensure that they maintain accreditation with the appropriate regional accrediting body and ensure that all operations will be in keeping with accreditation requirements of the two institutions.
- 7. This agreement will automatically renew unless personnel from KCC and SHU determine that a meeting is necessary to review and/or amend this agreement. Either institution may terminate this agreement at any time by written notice of at least one (1) year in advance of the effective date of termination. All students currently enrolled will be allowed to complete their designated program of study at SHU.
- 8. Oversight of this agreement, to represent the respective institutions and to communicate any necessary changes and updates to appropriate parties as needed rests with the Associate Registrar at KCC and the Associate Director of Partnership Relations at SHU.
- 9. SHU and KCC agree to the development of joint promotional and communications efforts to graduates and current students. Ongoing promotional opportunities will be reviewed and determined periodically as approved between the appropriate representatives at each institution. This may include but is not limited to classroom visits and mailing lists.
- 10. Each party may provide on its website, a link to the partner institution's website.
- 11. Both institutions will provide counseling and advising to current and prospective students concerning their respective program of study and the transfer process between institutions.
- 12. Each party shall be separately responsible for compliance with all federal and state laws, including nondiscrimination laws. The contract term includes applicable sections of the Michigan Handicappers Civil Rights Act (Act 220 of the Public Acts of 1976, as amended, being MCLA 37.1101 et seq.) and the Elliot-Larson Civil Rights Act (Act 453 of the Public Arts of 1976 as amended, being CMLA 37.2101 et seq.) and, in particular, the provision that illegal discrimination by either party may be considered a material breach of this agreement.
- 13. Full time employees of Kirtland Community College are eligible for a discounted tuition rate for undergraduate and graduate degrees. Students requesting the discount need to complete the application and verify full time employment at KCC.
