COLLEGE CATALOG
The college catalog is the official publication issued by the college, and is available online at: www.kirtland.edu/college-catalog. The catalog includes detailed information concerning programs of study, course descriptions, admission and graduation requirements, and services for students. The contents of the college catalog are subject to change. The catalog is not to be considered as a contract or agreement between the student and the college.

CLASS SCHEDULES
Class schedules are no longer printed. To view classes online: https://my.kirtland.edu/ics/academics.

COLLEGE EMAIL STATEMENT
Kirtland Community College has established email as a primary vehicle for official communication with students, faculty and staff. Each registered student and active faculty and staff member is assigned an official Kirtland Community College email address. All official college email communications will be sent to the assigned Kirtland.edu address, including but not limited to communications from faculty to students registered in their classes and from departments on campus to students.

The college expects that students will receive and read email in a timely manner. Failure to receive and read college communications delivered to official email address in a timely manner does not absolve recipients from knowing and complying with the content of such communications.

This policy is motivated by the speed, cost-effectiveness, convenience and environmental awareness.

INFORMATION MONITORS
Monitors that display information that is important to students are stationed in the administration building, the instructional building, the career technology center, library, the student center, and the Gaylord and West Branches extension sites. Information includes registration dates, athletic highlights, scholarship deadlines, commencement details, class cancellations, and other information that is updated regularly.

ADMISSIONS POLICY
Kirtland Community College adheres to the "open door" policy of granting general admission primarily to all persons above the twelfth-grade age level. Depending upon the applicant's situation, either "regular" or "special" admission status will be granted. The link to apply at Kirtland: [http://www.kirtland.edu/admissions](http://www.kirtland.edu/admissions).

Regular Admission
Regular admission will be granted to high school graduates and successful completers of the General Education Development (GED) test.

International students may be granted regular admission provided they meet the admissions requirements as determined by the designated school official (DSO). The International student application and requirements are located at: [http://www.kirtland.edu/admissions/admission-process-for-international-students](http://www.kirtland.edu/admissions/admission-process-for-international-students)

Special Admission
Special admission will be granted to anyone who does not qualify for general admission. Persons admitted under this category will be restricted to non-degree/certificate-seeking status. The special admission category includes the following two groups:

1. Dual-Enrolled Student: a K-12 student who is also attending college. Dual-enrolled students are required to submit a Dual Enrollment form for each semester or session of enrollment. All dual-enrolled students must have written authorization to attend Kirtland from their school's principal or counselor. Dual enrollees must also take Kirtland’s Placement Tests.

2. Non-High-School Completer: is a person who has withdrawn from high school and has not earned a GED certificate.

3. High school Certificate of Completion: is a person who completed high school but did not meet the curriculum requirements to receive a diploma.

Any person who desires either special or regular admission to Kirtland must complete an Application for Admission form and Kirtland's Placement Tests or submit qualifying ACT or SAT scores. All students under the age of 18 must have parental or legal guardian consent.

Students being granted regular admission must provide one of the following: (1) a high school transcript (with graduation date indicated), or (2) an official report of GED test results, verified by the college, showing test scores achieved by the applicant.

Admission of Home Schooled Students
Most students attending college have earned a diploma from a public or private high school. Some students, however, have completed their high-school-level studies through a home school program. Parents of home schooled children are encouraged to register their program with the State of Michigan’s Department of Education.

When a student attends a public or private high school, an official transcript (list of courses completed and grades earned by a student) is kept by the high school and made available to colleges upon a student’s written request. In lieu of an official transcript, home schooled students are expected to provide a list of high-school-level courses completed and the grades earned in each course. If a home school diploma was awarded, a copy should also be sent to Kirtland’s Admissions Office.

The Michigan Commission on Law Enforcement Standards (MCOLES) requires that criminal justice students complete a GED or a high school or adult education diploma, in addition to their home school diploma, in order to become certified.

NEW STUDENT ORIENTATION
New students, both new to the college experience or transferring from another college, as well as returning students prior to May 2011, are required to attend a mandatory orientation. During orientation, students will receive an overview of the many services Kirtland has to offer to ensure their success in college. Please call the Admission Office (989) 275-5000 ext. 284 for more information.
Additional admissions requirements must be met by those students planning to enroll in one of the following programs of study:

- Cardiac Sonography
- Certified Nursing Assistant
- Criminal Justice Pre-Service
- Emergency Medical Services
- Health Information Technology
- Military Police Academy
- Nursing
- Pharmacy Technology
- Phlebotomy
- Police Academy
- Surgical Technology

Additional information about admissions requirements may be requested from an advisor or from the Admissions Office.

This admission policy will also be applied to returning students, regardless of their past admission status.

TRANSFER OF CREDITS

Students who have attended other colleges must request that an official copy of their academic transcript be sent to Kirtland Community College for evaluation. An official transcript should be mailed directly to Kirtland from each college attended; student copies are not accepted. Credit from regionally accredited colleges and universities is automatically considered for transfer if deemed to be applicable to the student’s declared program of study. Credits only, not grades, are transferred for courses in which a “C” or better grade has been earned. Students who were awarded credit by departmental exam may be required to pass a Kirtland examination prior to the awarding of credit. Normally, a “C-” grade will not be accepted for credit, but students may appeal to the vice president of instruction if consideration is sought for a course previously denied for transfer based on the grade received. The vice president will then consider the student’s GPA and hours earned at the previous institution as well as the GPA and hours earned at Kirtland (if applicable) when making a determination. Acceptance of the grade is at the instructional vice president’s discretion, and his/her decision is final. If elective credits are awarded, it is possible that some may be able to be used to fulfill degree requirements. A student’s academic advisor will make that determination and complete the paperwork needed to substitute the elective course for a specific program requirement.

Non-Regionally Accredited Colleges and Universities

Credit may be given for courses transferred from non-regionally accredited colleges and universities. The policy is the same as described above for “Transfer of Credit from Regionally Accredited Colleges and Universities,” with the following exceptions:

1. The Registrar’s Office may choose to request a recommendation of transfer credit for the transcript in question from the academic advisor for the program in which the student has enrolled.

2. The student may be requested to demonstrate knowledge and/or skills commensurate with the performance required for satisfactory completion of existing courses.

3. Credit may not be granted.

Other Transfer Credits

Kirtland Community College recognizes the following opportunities for awarding transfer credits:

1. College Board Advanced Placement Program (AP)

   College course credit will be granted to students who participate in the AP and pass the Advanced Placement examinations with a score of three, four, or five. Students must submit a College Action Report to the Registrar’s Office for evaluation.

Additional information regarding DSST testing is available at [www.kirtland.edu/testing-center](http://www.kirtland.edu/testing-center).

4. **Educational Experiences in the Armed Services**
   Veterans may be awarded college credit for the service schools they attended and their work experience while in the U.S. military. The college awards credit based on recommendations provided by the American Council on Education (ACE). Students must have their official transcripts sent to the Admissions Office for evaluation of military credit. Transcript request forms are available in the Admissions Office.

5. **United States Armed Forces Institute (USAFI) Program**
   College course credit will be granted to students who participated in the USAFI Program and achieved the minimum passing score as recommended by the American Council on Education (ACE). Students must submit an official transcript to the Registrar’s Office for evaluation.

6. **Articulation**
   Secondary articulation provides high school students with an opportunity to earn college credit for work completed in their high school or tech center CTE programs. Through articulation agreements between Kirtland, the Michigan Department of Education, high schools and career centers, students are able to apply for college credit after completing a state approved program.

   College policies concerning the transferability of articulated credit vary. Students should check with the college to which they plan to transfer to determine if the articulated credit will be accepted by that college.

**Applying for Credit:**

If your school has an articulation agreement with Kirtland, contact your teacher or counselor to assist you with the application process.

- Students have two years from the date of their high school graduation to apply for articulated credit at Kirtland.
- Complete the free application for admission to Kirtland.
- Go to [http://www.kirtland.edu/registrar/high-school-articulation-credit](http://www.kirtland.edu/registrar/high-school-articulation-credit) to access all of the articulation agreements and applications available.
- Complete the Application for Articulation credit and include all of the required documentation, including official high school transcripts, and send it to Kirtland Community College’s Registrar’s Office.
- The Registrar’s Office will send an email to the student’s Kirtland email account explaining whether or not credit was awarded.

For further information, students should consult with their high school counselor or contact the Student Success Center.

**CLEP/DSST**

CLEP and DSST examinations are a great way to earn college credit. Students can learn more about these exams and schedule testing dates by going to [http://www.kirtland.edu/testing-center](http://www.kirtland.edu/testing-center). There are links available under the heading entitled “CLEP and DSST Exams”. A form with CLEP and DSST exam names, their minimum scores, and Kirtland equivalencies are also available to view.

*ACE Credit Guidelines Revised December 2014*
This office provides an array of financial services and information to meet the needs of students and their families when planning for and managing the cost of attendance. Student Financial Services also helps students apply for financial assistance including grants, loans, scholarships and student employment.

**TUITION**
For current tuition and fee rates please refer to our website at [www.kirtland.edu/paying-for-college](http://www.kirtland.edu/paying-for-college).

**NOTE**: Tuition and fees are subject to change without notice.

**PAYMENT FOR CLASSES**
Upon registration, it is the ultimate responsibility of the student to pay tuition, fees, and other debts incurred at Kirtland by the appropriate due date listed online at: [www.kirtland.edu/paying-for-college/payment-due-dates-and-options](http://www.kirtland.edu/paying-for-college/payment-due-dates-and-options). When registering in person, each student will be given a statement of account, with his/her class schedule. For students registering via myKirtland, it is the student’s responsibility to view and print their charges from the “Account Detail” window on the Student Tab at MyKirtland. Statements will only be mailed upon request. Students with questions concerning their accounts are encouraged to contact the Student Financial Services Office in the administration building at 989-275-5000, extension 257.

Students are encouraged to regularly check their Kirtland email account as payment reminders and refund notices will be sent to this email. **If payment in full is not received by the due date, the student’s classes may be dropped.**

Delinquent accounts will be turned over to a collection agency and the cost of such action will be added to the student’s account. **Students are not allowed to register for classes or receive transcripts until all financial obligations to Kirtland have been met.**

**METHODS OF PAYMENT**

- **CASH** – Payment may be made in person at the Student Financial Services Office located in the administration building on central campus or in the front office at the MTEC-Gaylord site. Cash should not be sent through the mail.

- **CHECK OR MONEY ORDER** – Payments can also be remitted to Kirtland Community College, Student Financial Services Office, 10775 N. St. Helen Road, Roscommon, Michigan 48653. The student ID number needs to be included with the payment. A $25.00 charge will be assessed for all NSF checks returned by the bank.

- **VISA, MASTERCARD, DISCOVER** - Students have the option of paying by telephone by calling 989-275-5000, extension 257, or online via myKirtland at: [my.kirtland.edu](http://my.kirtland.edu). After logging in, click on the student tab. Then go to the account detail window, verify the semester, click submit and follow the payment instructions.

- **EMPLOYER OR SPONSORING AGENCY** - The Student Financial Services Office can bill a student’s employer or a state agency if a signed authorization or letter is submitted prior to the payment due date or at the time of registration. Written authorizations need to be submitted each semester.

- **FINANCIAL AID/LOANS/SCHOLARSHIPS** - When a student’s financial aid award is approved, an email notification will be sent notifying the student to accept the terms and awards offered. The amount will be credited as an “anticipated award” against the tuition/fee charges. If the award does not cover the balance in full, the student is responsible for paying the difference by the due date. Also, if a student applies late for financial aid and the award has not been approved by the payment due date, the student must be prepared to pay. He/she may be reimbursed after the award has been posted as a “final” award to the account.

**e-CASHIER PAYMENT PLAN**
Students with a tuition and fee balance of $100.00 or more may be eligible for the e-Cashier Payment Plan offered through Nelnet Business Solutions. This plan enables students to make interest-free payments for tuition and fees via automatic transactions from a checking, savings, or credit/debit card account. The cost to enroll is $30.00 per semester. Tuition and fees may be budgeted for up to five months per semester. The earlier a student registers, the smaller the monthly payments can be. **If a student plans to make payments through Nelnet, an online application must be submitted by the payment due date or on the day of registration. Otherwise, the student’s classes may be canceled.** After registering for classes, students can apply online by logging into myKirtland at: [my.kirtland.edu](http://my.kirtland.edu). Once you are logged in, click on the student tab. Go to the Account Detail window, verify the semester, and click submit. Then, click the e-Cashier icon at the very bottom of the page and follow the on screen instructions. Once the application is submitted, the student will receive an email notification verifying the agreement. More information is available online at: [www.kirtland.edu/paying-for-college/e-cashier-automatic-payment-plan](http://www.kirtland.edu/paying-for-college/e-cashier-automatic-payment-plan).
RESIDENCY
The burden of proof of residency is the student's responsibility and acceptable documentation must be provided to the Admissions Office prior to the first day of the semester in which the residency status is to be applied, otherwise out-of-district tuition will be assessed. Retroactive residency adjustments will not be considered.

Acceptable proof: driver's license, verifiable rent receipts (if rent receipts are not available, a notarized letter from the landlord will be accepted), a dated lease agreement, voter's registration card, place of residence property tax receipt, Secretary of State identification card. Verifiable rent receipts must contain all the following information: the address of the property being rented; the date of payment; signature, address and phone number of the landlord.

Kirtland Community College will perform ongoing verification of residency information. Students who have misrepresented information or have falsified documents may have to repay tuition, verify back records, or may be subject to disciplinary action by the College. If a student has mail returned to the college, a hold will be placed on his/her record and the student must verify his/her residency at the Admissions Office.

IN-DISTRICT RESIDENCY
A new student will be classified as in-district if (s)he can prove that (s)he resides in the Kirtland Community College district prior to the first day of the semester of attendance at Kirtland. New students planning to attend the MTEC-Gaylord site must provide proof that (s)he resided in Otsego County or the Kirtland district prior to the first day of the semester.

Otsego County is not part of the college district, therefore, Otsego County residents are considered out-of-district when attending the Roscommon campus or enrolled in online courses.

A returning in-district student will continue to be considered in-district if (s)he can prove (s)he continues to reside in the district.

OTSEGO COUNTY RESIDENTS
Otsego County residents taking courses at the M-TEC Gaylord extension site will be assessed in-district tuition rates. All eligible courses will have a course number ending with “M”. Classes taken at the Roscommon Campus or on-line will be charged at the out-of-district rate.

OUT-OF-DISTRICT RESIDENCY
A new student will be considered out-of-district if (s)he can prove residency within Michigan prior to the first day of the semester of attendance at Kirtland, but cannot prove in-district residency.

A student who resides outside the district can be assessed an in-district tuition rate if (s)he provides the college with tax receipts showing tax payments to the college, as long as the property is owned by the student or the student is a dependent of the person who owns the property.

A returning out-of-district student will continue to be considered out-of-district unless (s)he can prove in-district residency prior to the first day of the semester of attendance.

Any individual using educational assistance under either Chapter 30 (Montgomery GI Bill® – Active Duty Program), Chapter 33 (Post-9/11 GI Bill®), of title 38, United States Code, and/or the Marine Gunnery Sergeant John David Fry Scholarship (38 U.S.C. § 3311 (b)(9)) who lives in the State of Michigan while attending Kirtland Community College (regardless of his/her formal state of residence) will be considered out-of-district.

OUT-OF-STATE RESIDENCY
A student who cannot prove in-district or out-of-district residency will be considered out-of-state if (s)he is a U.S. citizen, or if (s)he is a registered alien (has a green card) who resides in the U.S. or if (s)he resides outside of the U.S. An out-of-state student can change his/her classification to in-district in the same way that is described for out-of-district students.

INTERNATIONAL STUDENT STATUS
A student who is not a U.S. citizen and who is attending Kirtland Community College under an F-1, J-1, or J-2 visa will be considered an international student and assessed the international rate.

MICHIGAN COLLEGES ONLINE
Students residing in ANY Michigan community college district will be assessed at the MCO in-district rate. Michigan resident not living within a community college district will be considered out-of-district. Students who cannot prove in-district or out-of-district residency will be considered out-of-state. Proof of residency will be determined according to the policies of the Michigan community college the student has claimed as their home school. Questions about MCO residency can be clarified by the home school. Kirtland's due dates and accepted forms of payment can be located at https://www.micollegesonline.org/help.html#/accounting.
1098-T STATEMENT
The student or the person who can claim the student as a dependent may be eligible for an education tax credit. Students that have out-of-pocket expenses for tuition, fees and textbooks over and above financial aid assistance may qualify for the American Opportunity Credit or Lifetime Learning Credit. The College will need a valid Social Security Number on file in order to provide a 1098-T statement. Prior to January 31st, the 1098-T statement will be made available to be viewed and printed from the Student Tab after logging on to https://my.kirtland.edu/ics. This form reports tuition charges (not payments) and/or financial aid totals for the previous calendar year. In order to verify proof of payments, please print a statement of account. For further assistance regarding your 1098-T form, please contact your tax advisor or refer to Publication 970, Form 8863, and the Form 1040 or 1040A instructions at www.irs.gov.

REFUNDS
Tuition and fee refunds are based on the following schedule:

FULL-SEMESTER/FLEX AND MODULAR COURSES
- 100 percent refund through and including the census date for the semester.
- Fall and Winter semester – 9th business day after semester start date. (Start date is Monday, refund date is 2nd Friday)
- Summer semester – 6th business day after semester start date. (Start date is Monday, refund is 2nd Wednesday for 11-week classes)

ALL OTHER COURSES
- 100 percent refund through and including the census date specific to the course. Contact Registrar’s Office for the census date.

The college will follow any federally mandated refund schedules. Contact the Student Financial Services Office for more information. Exceptions to the refund policy due to hardship may be reviewed by the vice president of student services. Refund requests must be received in the semester in which the withdraw occurred, or the semester immediately following. Students must submit the Tuition Refund Appeal form located in myKirtland under student form central to the Vice President of Student Service’s office.

CANCELLED CLASSES
Students registered for a course cancelled by the college will be refunded ALL tuition and fees for the cancelled course.

FEDERAL RETURN OF FUNDS/REPAYMENT POLICY
Under changes made by the Higher Education Reconciliation Act of 2005 (HERA), this policy focuses on the amount of Title IV program funds to be returned when a student withdraws from college prior to completing the semester. This policy applies only to students receiving Title IV aid (federal PELL grants, federal SEOG, and federal subsidized and unsubsidized Direct Stafford Loans).

During the first 60% of the enrollment period, a student “earns” Title IV funds in direct proportion to the length of time he or she remains enrolled. Students who withdraw totally from the college without completing 60% of the enrollment period will be required to repay a portion of the aid received. For example, a student withdrawing after completing 10% of the enrollment period may need to repay up to 90% of the federal funds that were awarded.

A student’s withdrawal date is:
- The date the student began the institution’s withdrawal process, or
- The midpoint of the period for a student who leaves without notifying the school.

The institution has the option of using the student’s last date of attendance at a documented academically-related activity in lieu of any other withdrawal date.

The responsibility to repay unearned aid is shared by the school and the student in proportion to the aid each is assumed to possess.

The institution’s share is the lesser of:
- The total amount of unearned aid, or
- Institutional charges multiplied by the percentage of aid that was unearned.

The student’s share is:
- The difference between the total unearned amount and the institution’s share.

Under the HERA, the amount of a grant overpayment due from a student is limited to the amount which the original grant overpayment exceeds half of the total Title IV grant funds received. Students do not have to repay a grant overpayment of less than $50 to the U.S. Department of Education.
NOTE: Kirtland will bill students for any balance owed due to the College’s return of funds. A student who withdraws may have charges not covered by financial aid, such as non-classroom-related items charged at the bookstore, which must be paid by the student.

FINANCIAL AID
Kirtland Community College endorses the philosophy that the primary source of support for a student should come from his/her own family. However, to the extent funding will allow, Kirtland will try to assist a student with financial aid when the family is unable to meet college expenses. Approximately two out of three students receive financial assistance through scholarships, grants, loans, and/or student employment.

Financial aid is a privilege, not a right. Therefore, it is the student’s responsibility to: (1) obtain and file the appropriate forms; (2) maintain the correct address on file; (3) respond promptly and fully to all requests for information; and (4) understand and comply with the rules governing the aid received.

SOURCES OF FINANCIAL AID
There are many different types of student financial aid. Almost all, including state and federal grants, student loans, work-study, and even many scholarships, require the filing of the Free Application for Federal Student Aid form (FAFSA) for a determination of “financial need.” Financial aid is classified in the following manner:

Grants - do not have to be repaid; awarded on the basis of demonstrated financial need.

Scholarships - do not have to be repaid; based upon academic performance and/or special circumstance. Demonstrated financial need may be considered.

Student Loans - must be repaid. Interest rates and repayment options are regulated by federal law and may change year to year.

Work-Study - is part-time work during the school year and vacation periods. Demonstrated financial need is typically considered.

HOW TO APPLY FOR FINANCIAL AID
All students wishing to be considered for federal financial assistance (including student loans and work study) must complete and file the Free Application for Federal Student Aid (FAFSA) available online at www.fafsa.gov. FAFSA’s are also available by calling 1-800-4FED-AID. This is not an application for any particular form of aid; rather, it is an application for needs analysis, on which many federal and state aid programs are based.

Within 8-10 days after submitting the FAFSA online, the student will receive his/her copy of the Student Aid Report (SAR). If there are any problems, errors, or questions, the student should contact the Student Financial Services Office. The SAR will be used to determine which programs the student is eligible for and how much can be awarded. The student may need to provide supporting documentation for information provided on the FAFSA.

A student's application for aid at Kirtland will not be considered finalized until the following items are completed:

1. The applicant has been officially admitted to Kirtland Community College.

2. The Student Financial Services Office has on file the following documents:
   • Student Aid Report (SAR) from the federal processor and,
     If selected for verification:
     • Verification Worksheet
     • Income documentation: federal income tax transcripts and/or other sources of income
     • Other information as requested such as proof of high school or G.E.D. completion, prior college transcripts or Statement of Educational Purpose.

3. The applicant has been packaged for aid and notified by the Student Financial Services Office listing the award(s) offered.

4. If awarded Direct Stafford loans, the Master Promissory Note must be completed.

HOW THE FINANCIAL AID FORMULA WORKS
Most federal and state financial aid is awarded on the basis of demonstrated financial need. The formula used to determine who has need and who does not is actually quite simple. The following equation is used:
**Student Budget - Expected Family Contribution = Financial Need**

**Student Budget** is the cost of attending college (tuition, fees, room and board, transportation, books, supplies, etc.).

**Expected Family Contribution** is taken from the student’s Student Aid Report.

**Financial Need** is the maximum dollar amount of need-based aid from the various sources for which the student is eligible.

A student will not necessarily receive financial assistance up to the maximum dollar amount for which he/she may be eligible. The various sources of aid have maximum award amounts and may be further affected by limitations in the availability of funds. Loans may be available if grant aid is insufficient. Inquire at the Student Financial Services Office if additional funding is needed.

Applicants’ answers to certain questions will determine whether they are considered “dependent” (still part of a parent’s family unit) or whether they are “independent” (has formed their own family unit). Students are classified according to family unit because federal student aid programs are based on the idea that students and their parents or spouses (if applicable), have the primary responsibility for paying for their postsecondary education. To be considered “independent,” at least one of the following must apply to the student:

- turns 24 before January 1 of the academic year for which aid is sought.
- is a veteran of the U.S. Armed Forces.
- is an orphan or ward of the court until age 18.
- is married.
- financially support dependent children.
- emancipated minor
- unaccompanied youth/homeless
- legal guardianship until age 18

**HOW DO STUDENTS PAY FOR CLASSES IF THEY HAVE FINANCIAL AID?**

At time of registration, and if and only if all financial aid paperwork has been received and processed by the Student Financial Services Office, a student may charge college costs (tuition, books, supplies, and certain fees) up to the amount the student has been awarded in aid. If a student does not have all paperwork completed at time of registration, the student will be obligated to make other arrangements for payment and may be required to pay in full. Students must be aware that financial aid is always subject to change without prior notice if changes occur in the student's enrollment status, class attendance, personal circumstances, or in federal or state guidelines.

The student is responsible for all college bills not covered by financial aid. All charges incurred during a semester that are not covered by financial aid must be paid by the student before the student will again be allowed to register.

**FINANCIAL AID AND WITHDRAWALS**

A student who withdraws, ceases attendance, or is expelled may have charges and financial aid adjusted according to the time and circumstances of cessation of enrollment. Students should refer to the refund schedules online at: [www.kirtland.edu/paying-for-college/student-refunds](http://www.kirtland.edu/paying-for-college/student-refunds). Failure to attend class without officially withdrawing may void financial aid, leaving the student responsible for all charges. Students must advise the Registrar’s Office in writing in order to withdraw by the last day to withdraw for the semester.

**OVERAGES AND REFUNDS**

Overages, or payments due the students from their awards after charges have been deducted, will start to be made available approximately the fifth week of class. Refunds of Pell Grants, Student Loans and other credit balances can be directly deposited into an account of your choice! Signing up is easy. Simply log into our secure site at: [https://my.kirtland.edu/ics](https://my.kirtland.edu/ics). Once you are logged in, click on the Student Tab. On the right-hand side in the Account Detail pane, click on the red link Direct Deposit for Student Refunds. From this page, you may also view the dates of when the Student Financial Services Office processes refunds.

**STANDARDS OF SATISFACTORY ACADEMIC PROGRESS FOR FINANCIAL AID ELIGIBILITY**

To maintain satisfactory academic progress, a student must comply with all three standards of this procedure:

- **Standard One:** Maintain a career grade point average (GPA) of 2.00 or higher.
  The student must maintain a career 2.0 or higher grade point average calculated at the end of each semester.

- **Standard Two:** Complete 67 percent of the credits attempted.
  The student must complete, with a passing grade, 67 percent of all credit hours attempted at Kirtland Community College, whether or not financial aid was received for those attempted credits.
• **Standard Three: Not exceed 150 percent of attempted credit hours.**
  Federal regulations state that a student cannot receive Title IV financial aid funds for more than one and one-half times (150 percent) the required credits needed to complete a specific certificate or degree. For example, if an Associate in Arts degree requires 60 credits to complete, a student cannot attempt more than 90 credit hours toward that degree and still receive aid (60 x 1.50 = 90). The student should review the Kirtland Community College catalog or consult with an academic advisor to find the number of credits required for his/her program. The student will be denied financial aid when he/she has attempted more than 150 percent of the credit hours required for his/her program. Grades of W, I, U, R, AU and E (grade definitions are found in the college catalog) are not considered passing but are considered as attempted credits. Remedial coursework and transfer credits are included in the number of attempted credits. The student may receive financial aid for the repeat of a previously passed course one time.

Satisfactory academic progress will be reviewed prior to the awarding of any federal financial aid. A student who applies for financial aid for the first time and has credits already accumulated at Kirtland must have successfully completed, with a 2.0 career grade point average or above, 67 percent of all credit hours attempted. The student cannot have attempted more than 150 percent of the credit hours required for his/her current program. The student with transfer credits from other institutions will have the total number of transfer credits counted in the total number of attempted credits. All credits, even if paid for from the student’s own funds, will be counted as attempted credits. When the student does not complete 67 percent of all career credit hours attempted with a 2.0 career GPA or above, he/she will be placed on warning status. The student can receive financial aid while on warning.

**CONSEQUENCES OF FAILING TO MEET ONE OR MORE OF THE PROGRESS STANDARDS**

**Warning Status**
A student who fails to meet Standards One or Two (previously described in this procedure) in a semester will be placed on a warning status for their next semester of enrollment and receive one subsequent term of financial aid. A student remains eligible to receive financial aid while on warning status. If both Standard One and Two are met at the end of the warning semester, the student will be removed from warning status.

**Denial Status**
A student who does not meet the requirements for maintaining eligibility at the end of the warning semester will have eligibility for financial aid programs denied. A student who reaches the upper limit of attempted credits for their program of study will have their aid eligibility denied.

**REINSTATEMENT AFTER INELIGIBILITY**
With the exception of the 150 percent rule, a student may be reinstated (after being denied) after meeting one of the following conditions:

- The student has taken, without funding from financial aid, at least six credit hours and has passed those six credit hours with a grade of “C” or better. Classes taken at institutions other than Kirtland are not considered for reinstatement purposes. The student will be given financial aid on a probation status during the next semester the student attends Kirtland, or
- The student has taken, without funding from financial aid enough credits to meet the GPA and completion rate requirements of Standard Three. The student will be reinstated without warning status.

**APPEAL PROCESS**
Pursuant to federal regulations, a student denied federal financial aid due to unsatisfactory academic progress may appeal for reconsideration of aid eligibility. The student must explain his/her failure to meet satisfactory academic progress, what has changed to allow him/her to regain satisfactory academic progress and must submit documentation from his/her academic advisor indicating the courses the student still must take to complete their program of study. Other appropriate documentation should be submitted if relevant, such as physician’s letter, divorce decree, obituary, or academic records. The submission of an appeal does not guarantee a change in eligibility. If the student files a successful appeal, the status will be changed to financial aid probation. The student will be notified in writing of the appeal committee’s decision. The decision of the committee is final.

**CONFIDENTIALITY OF RECORDS**
Information contained in the financial aid file is strictly confidential and will not be released without the prior written approval of the student. However, departments within the college may be provided information on a "need-to-know" basis. Files are generally destroyed after five years.

**STATEMENT OF COMPLIANCE**
Financial aid is awarded in compliance with all pertinent federal and state laws and regulations, without regard to race, creed, color, religion, national origin, sex, age, or handicap, except as provided under federal and state laws and regulations.
STUDENT EMPLOYMENT
Part-time student employment is offered both on and off campus. The federal government and Kirtland Community College provide work-study dollars which fund the student employee program. Off-campus employers may be obligated to contribute matching funds. The goals of the program are to provide employment experience, the opportunity for community service, and additional financial assistance to students. Students are paid an hourly rate for the work they perform. A copy of the student employment handbook is available online.

Students must file the Free Application for Federal Student Aid form (FAFSA) before consideration for student employment and attend a student employee orientation.

STUDENT EMPLOYMENT HANDBOOK
The purpose of the Student Employee Handbook is to inform students of the general provisions and regulations of work study, a financial aid program that provides valuable job experience through student employment. This booklet includes responsibilities of student employees and their supervisors, how to complete a time sheet, office conduct, student employee evaluation process, and forms. A copy is available online.

If the student has previously drawn educational benefits elsewhere, the student needs to complete a Request for a Change of Place and/or Program form and have transcripts from other colleges sent to Kirtland for evaluation as soon as possible. Benefits can be suspended if credit evaluations are not reported to the VA before the student completes two semesters.

Students must request certification of enrollment each semester. The Kirtland Veterans Certification Request form must be fully completed and submitted to the Student Financial Services Office along with a class schedule.

PAY RATE
Monthly rates vary according to which VA program is providing the assistance, the student's course load status and length of semester enrollment.

ADVANCE PAY
Students eligible for VA benefits may request an advance payment if they carry at least a half-time course load and the VA receives the enrollment certification at least 30 days before classes start. The advance check covers the initial month or partial month of the semester, plus the following month. This check is sent to the college. Subsequent checks are mailed to the student's mailing address or can be directly deposited to the student’s financial institution. Chapter 33 students cannot receive advance pay.
GUIDELINES AND RESPONSIBILITIES

2. VA payment is not ordinarily allowed for repeating a previously passed course.
3. Any changes in program of study, course load, address, etc., must be reported to the Student Financial Services Office.

CONSEQUENCES OF DROPPING CLASSES

If a student fails a course, the last date of attendance in the course will be reported. Students are responsible for any overpayment due to their withdrawal (unofficial or official), or class failure.

SATISFACTORY PROGRESS
A student receiving VA benefits needs to understand the college's policy regarding academic probation. When this policy allows, a VA student placed on probation may have a maximum of two consecutive semesters to raise the cumulative grade point average to a 2.0. Failure to do so will make the student ineligible for recertification, and unsatisfactory progress will be reported to the VA in writing.

REGISTRATION & ACADEMIC POLICIES

REGISTRAR'S OFFICE

The responsibilities of this office include course registrations, schedule adjustments, program changes, enrollment and graduation verifications, grade reporting, official graduation audits, issue academic transcripts upon student request, course substitutions, high school articulation, and transfer credit evaluations.

ACADEMIC AMNESTY

Kirtland Community College understands that a student may "get off to a bad start" due to circumstances beyond his/her own control. Also, a student may enroll in a program that he/she later finds does not suit his/her needs. Both situations may result in a student experiencing poor academic performance. Academic amnesty is an action of forgiveness provided to certain students who have experienced poor academic performance at Kirtland Community College. Through academic amnesty, a student will be awarded a "second opportunity" to achieve success at Kirtland by removing the negative effect of less-than-C grade courses on the student's academic transcript.

To be eligible to apply for academic amnesty, a student must meet the following criteria:

1. Have a cumulative grade point average (GPA) of less than 2.00.
2. Complete at least six credit hours or more toward a new program of study while maintaining a 2.00 GPA or higher since beginning the new program.
3. Allowed one year to elapse between the poor academic performance period and requirement #2.

Once eligible, a student may petition the academic amnesty committee by requesting an Application for Academic Amnesty form from the Student Success Center Office, completing it, and returning it to that office. The applicant must meet with the college counselor and agree to the conditions of academic amnesty.

The academic amnesty committee will review all requests for academic amnesty. Academic amnesty will only be granted for one continuous period of enrollment in a program at Kirtland Community College, as indicated by courses taken by the student that are directly attributable to that program.

Once amnesty has been approved by the committee and applied by the registrar to the student's (petitionee's) transcript, the student will not be permitted to rescind the application of amnesty on his/her academic record. Other conditions include the following:

1. No course work will be removed from a transcript.
2. A special notation explaining amnesty approval will be placed on the student's transcript.
3. Honor points and credit hours attempted during the amnesty period will be subtracted from the current cumulative honor points and credit hours attempted. A new cumulative grade point average will then be established.
4. Courses successfully completed with a grade of C or better during the amnesty period can be used toward the student's certificate or degree requirements but do not count toward the student's GPA.
5. A student receiving academic amnesty will not be allowed to graduate with honors.
6. Academic amnesty, when granted, applies only to Kirtland Community College courses. There is no guarantee, expressed or implied, that academic amnesty will be recognized by any other college or university.
7. Academic amnesty can be granted only once to any student.

The Registrar has the responsibility of implementing amnesty, as stated in the academic amnesty policy, when it is granted to a student.
ACADEMIC PROBATION AND ACADEMIC DISMISSAL

Good academic standing is a status achieved by students who have earned a cumulative/career grade point average (GPA) of 2.0 and above. Cumulative/career credit hours attempted/graded and cumulative/career GPA will determine a student’s good academic standing, probation, and dismissal status. The following schedule reflects probation and dismissal status:

0-5 Cumulative/Career Credit Hours Graded
Probation Status: None
Dismissal Status: None

6-11 Cumulative/Career Credit Hours Graded
Probation Status: 0.00-1.99
Dismissal Status: None

12-17 Cumulative/Career Credit Hours Graded

NOTE: *Should the student not show academic progress (increasing cumulative/career GPA toward a 2.00) after completion of the next enrolled semester/session, he/she will be dismissed.

If a student is dismissed from the college and wishes to re-enter, he/she must submit an “Academic Reinstatement Request” form to the Student Success Center Office for permission to re-enter as a limited probationary student. If permission is granted, the student will be allowed to reenter with enrollment restrictions as stated in a signed contract between the student and the college counselor. Any adjustments to the limited probationary student's schedule must be approved by the counselor.

A limited probationary student will be dismissed again from the college if he/she is not showing academic progress (increasing the cumulative/career grade point average toward a 2.00), or if he/she does not meet all requirements as listed in the contract. Students being dismissed for a second time will automatically be required to sit out at least one semester.

Students being placed on academic probation or academic dismissal will be notified of their status by the vice president of student services via their Kirtland email account.

AUDITING OF COURSES

A student who wants to attend a course regularly, but does not wish to receive a grade or credit may register to audit the course. A student who audits a course is required to officially register, indicate the class is for audit on the registration form, and pay all tuition and fees.

A change from audit to credit or credit to audit must be approved by the instructor of the course. A Change in Audit Status form must be properly completed, signed by the instructor, and submitted to the Registrar’s Office for processing by the census date.

Financial aid is not available for a course taken for audit. Students receiving financial assistance should check with the Student Financial Services Office to determine what effect the audit may have on their financial aid package.
CREDIT BY EXAMINATION
Students who believe they have achieved the equivalent knowledge and/or skills of a particular Kirtland Community College course may choose to take a competency credit examination.

A Kirtland student may request credit by examination by using the following procedure:

1. Contact the Student Success Center for a list of nationally recognized standardized tests that are equivalent to the Kirtland course the student desires. Information regarding testing fees and date, time, and location of the testing will also be provided to the student.

2. If a nationally recognized standardized test is not available, the student may contact the dean of his/her program for an Institutional Credit by Examination Request form and the cost for the testing. The student will complete and submit the form to the senior instructor in the subject area of the examination requested. The instructor will review the request and submit his/her recommendation back to the vice president or dean, who may approve or disapprove the request. If approved, a test will be developed, and testing will be scheduled.

3. Credit by examination scores will be handled in the following manner: If a passing score is achieved, credit will be noted on the student's Kirtland transcript. Cumulative grade point average, credit hours attempted, and honor points will not be affected.

CREDIT HOUR LIMIT
Students enrolling for more than 18 credit hours for the fall or winter semester, or more than eight credit hours for the summer session, must receive permission from the vice president of instructional services or designee. In the instance where the college catalog lists more than 18 hours as a suggested semester load, students may register without additional permission.

COURSE ADJUSTMENTS (ADD, DROP & WITHDRAWAL)
Add/Drop/Withdrawal forms for adding and dropping courses can be secured from the Registrar’s Office or in myKirtland in student form central. Withdraws cannot be done online.

ADDING A CLASS
Students are expected to complete their registration during the registration period. However, if a student must add a course, it should be done before the end of the first week of the semester. No student will be allowed to add a class after the class has met more than two times without written authorization from the instructor of the course.

DROPPING A CLASS
Exact dates of the drop period are posted online at: www.kirtland.edu/paying-for-college/student-refunds. Students are permitted to drop online any class in which they are enrolled through the 100% drop refund date.

WITHDRAWING FROM A CLASS
Students may withdraw from courses for which they are registered. Withdraw dates are published on the Kirtland Website. Withdrawals cannot be done online. An Add/Drop/Withdraw form must be submitted to the Registrar’s Office on or before the last date to withdraw.

FULL SEMESTER COURSES
If a drop is made before or on the census date for the semester, no grade will be recorded. However, for withdrawals made after the census date and through the twelfth week of the semester or through the eighth week of the summer semester, a grade of "W" will automatically be issued.

SHORT COURSES (Courses that are scheduled for less than a full semester)
A withdrawal must be made before the final exam is issued for the course. If a withdrawal is made on or before the census date for the course, no grade will be recorded. However, for withdrawals made after the census date of the course, a grade of "W" will automatically be issued.

FLEX COURSES
A withdrawal must be made before the final exam is issued or before the coursework is completed for the course. If a withdrawal is made before the course begins, no grade will be recorded. However, for withdrawals made after the course begins, a grade of "W" will automatically be issued.

Generally, a withdrawal from a course is the student's option. However, students who are enrolled in a program that has additional requirements may be required to withdraw from a course by their program advisor. As part of a disciplinary action, following due process, an "administrative withdrawal" may be authorized by the vice president of student services.
COURSE REPETITION
A student may repeat any course previously taken or an equivalent at Kirtland Community College to improve his/her grade. Only the higher grade is credited when computing the grade point average, although both grades appear on the transcript.

If the student has achieved a C grade or better on the first repeat of a course, a second repeat will not be permitted. A student may not repeat a course more than twice. Exceptions to this policy may occur when a student desires reentry or progression within a particular program that requires current competency. These exceptions may be authorized by the program advisor. Other exceptions may only be authorized by the vice president of instructional services or a dean.

COURSE SUBSTITUTION
Certificate and degree program requirements are listed in the college catalog. These requirements include all courses needed for completion. Any alteration to a degree or certificate (substitution of one course for another) must be made in the following manner:

1. To initiate a course substitution, a student must meet with his/her advisor. During the meeting, a Course Substitution Request form must be completed by the student and the advisor. The student's advisor will forward the form to the vice president of instruction or dean for possible approval. If approved, the form will be sent to the Registrar’s Office and placed in the student's file.

2. Course substitutions should be submitted and approved before the student's registration for the semester in which the course substitution is to be made. If a student has received credit for courses transferred from another institution and desires a course substitution of the transfer credit for a required course, approval should be gained during the student's first semester at Kirtland.

GRADE REPORTING SYSTEM
Grades are issued at the end of each semester or session and become a permanent part of the student's record. Kirtland operates on two 15-week semesters and an 8 or 11-week summer session.

Students must go online to view or print grades each semester, grade reports are not mailed. Students should log into myKirtland at www.kirtland.edu, click on the student tab, and select “Course History” link. Students can select specific semester grades, or by selecting “All Divisions, All Terms” students can view or print a complete unofficial transcript showing all grades earned, and prerequisites met by placement testing. Students who do not have access to a computer or the Internet can use the computers on the Kirtland campus, or they may request unofficial or official transcripts (see “Transcripts” for ordering information).

The following grades are computed in the semester/term and cumulative/career grade point average (GPA): A, A-, B+, B, B-, C+, C, C-, D+, D, D-, and E. While the current semester is in session, an WIP designation may appear on the transcript to denote that the course is currently in progress.

The number of **honor points** received for a course is determined by multiplying the honor point value of the course by the number of credit hours. Therefore, a grade of B in a 4 credit-hour course is 12 honor points (3 x 4).

A **grade point average** is obtained by dividing the total number of honor points by the total number of credit hours graded. For example, a total of 32 honor points earned in a semester by a student enrolled for 16 credit hours equals a grade point average (GPA) of 2.00 for that semester.

**GRADUATION HONORS**

Students may graduate with honors from Kirtland Community College providing they have met the following criteria:

- Completed all the requirements needed for a certificate or an associate degree
- Earned at least 15 credit hours at Kirtland if receiving a certificate or associate degree
- Achieved the cumulative grade point average (determined by the last completed semester) required for one of the following honors:

  - 3.800-4.000 cumulative GPA  Summa Cum Laude
  - 3.600-3.799 cumulative GPA  Magna Cum Laude
  - 3.400-3.599 cumulative GPA  Cum Laude

The Registrar will review transcripts of all candidates for graduation. Authorization to wear honor cords will be given by the Registrar to candidates who have achieved a minimum cumulative grade point average of 3.40 prior to the semester in which commencement ceremonies are held. The commencement program will list candidates who have been authorized to receive the honors. Final grades will determine the honors appearing on the student’s transcript and diploma.

**GRADUATION REQUIREMENTS**

Each candidate for graduation must fulfill the following requirements for an associate degree or certificate of completion:

1. Be granted admission to Kirtland Community College
2. Have completed a minimum of 15 semester hours of credit (100-level or above) at Kirtland
3. Have earned a minimum cumulative grade point average of 2.00 at Kirtland
4. Have completed all program requirements as listed in Kirtland’s college catalog

   **NOTE:** The date of the catalog by which a student's credits are audited for graduation may not be more than four years earlier than the date of the issuance of the degree or certificate. Student records may not be audited by a catalog dated earlier than the time of entrance. Exceptions may be authorized by the vice president of instructional services or dean of the student’s program.

6. Have filed a Request to Graduate form with the Registrar’s Office at the beginning of the semester in which they plan to finish their required course work. Students should also check with their advisor when they register for that semester to be sure that all requirements have been met.

Graduation (commencement) ceremonies for students completing associate degree and certificate programs are held once a year on the last Friday of the winter semester. Participation in the graduation ceremonies is strongly encouraged, but not required. Cap and gown for graduation must be ordered in the Kirtland Bookstore before March 1. For more information about graduation fees, contact the Registrar’s Office.

**HONOR LISTS**

Each fall and winter semester, a President’s honor list and Dean’s honor list will be issued. The President’s and Dean’s honor lists shall consist of names of full-time (12 or more credit hours earned, excluding below 100-level departmental courses) students whose current/term grade point averages are 3.800 to 4.000 (President’s list), 3.400 to 3.799 (Dean’s list) and (part-time student honor list), 3.500 to 4.000 (6 to 11.99 credit hours earned, excluding below 100-level departmental courses) at the time grade reports (see “Grade Reporting System”) are processed.

Credits earned in transitional courses will not be used when determining a student’s full-time status. In addition, students receiving an incomplete grade (“I”) for the semester will not be considered for either list. (However, honors notations will be posted to transcripts when completion of “I” grades results in grade point averages that meet honor list criteria.)

**HONORS PROGRAM**

The Kirtland Community College Honors Program provides enhanced educational opportunities for academically talented students in both general education and occupational programs. Membership in the Kirtland Honors Program brings the honors student significant benefits:
EDUCATIONAL BENEFITS
Honors students at Kirtland pursue an enhanced honors curriculum distinguished, on the whole, from the regular curriculum by an emphasis on the following features:

- Highly qualified students.
- Stimulating course design and course work.
- Emphasis on participatory classroom styles.
- Challenging work than in comparable classes within the regular curriculum.
- Team or group teaching.
- Emphasis on primary, as opposed to secondary, source materials.
- An interdisciplinary focus.
- An element of independent study.
- Transcript recognition of completed honors course work.
- Honors degree upon completion of requirements.
- Recognition at graduation ceremonies, including a medallion.
- Scholarships: Eligible to apply for one 3-credit in-district scholarship per semester, up to 9-credit hours career total.
- Eligible to apply for the Otto and Martha Krauss Scholarship.

Membership is based on academic achievement. Student must have a cumulative grade point average of 3.5 to apply.

Applications are accepted throughout the year, but students are admitted only at the beginning of the fall and winter semesters. For more information contact the Honors Program Office at 989-275-5000, ext. 359

INCOMPLETE GRADES – more under “GRADE REPORTING SYSTEM”
A student may request an incomplete (I) grade when he/she has found it impossible for reasons beyond his/her control to complete all required course work by the close of the semester. Upon the instructor's discretion, an incomplete grade may be granted. If granting an incomplete grade, the instructor shall submit an Incomplete Grade Request form to the Registrar's Office. If the course work is completed within the period prescribed by the instructor, the incomplete grade will be changed to the letter grade the student has then earned. If course work is not completed within the prescribed period, the incomplete grade will be changed to a failing grade.

MICHIGAN TRANSFER AGREEMENT
The Michigan Transfer Agreement facilitates the transfer of students from community colleges to four-year colleges and universities in Michigan. By carefully choosing courses, students can earn an associate degree from Kirtland and complete the Michigan Transfer Agreement; however, students do not need to obtain a degree in order to earn the MTA designation. If students want to request the “MTA Satisfied” on their transcript, they should fill out the MTA application form and send it to the Registrar’s Office for review.

Requirements for the Michigan Transfer Agreement
- Minimum of 30 credits.
- A grade of “C” or higher is required for each course.
- One course in English composition.
- A second course in English composition or one course in communications.
- One course in mathematics.
- Two courses in social sciences (from two disciplines).
- Two courses in humanities and fine arts (from two disciplines excluding studio and performance classes).
- Two courses in natural science (from two disciplines) including one laboratory experience.

**PROGRESS REPORTS**
A progress report is initiated by an instructor to notify a student of poor academic performance or lack of attendance in the instructor’s course. Students will receive their progress report via their Kirtland email account. The progress report is forwarded to the appropriate Student Services offices. An electronic copy will be kept in Student Services.

**REGISTRATION PROCEDURES**
All students are required to complete admissions requirements and procedures before registration for classes. Students may register online at specified times by using myKirtland at the following web site:  [www.kirtland.edu](http://www.kirtland.edu).

A registered student is one who has completed the registration process, including arranging for payment of all financial commitments. A student must be registered for a class before he/she may attend the class. Questions concerning these procedures should be directed to the Registrar’s Office.

**STUDENT ATTENDANCE POLICY**
Students are expected to attend every class and laboratory period for which they have registered. Regular class attendance is necessary for students to receive maximum benefits from their classes. Excused absences for participation in authorized campus activities shall in no way lessen student responsibilities for meeting the requirements of the class. Excessive absence may affect financial aid awards.

Regular attendance is expected of each student in each course. Instructors are required to determine reasonable attendance and satisfactory academic progress during the semester. Progress reports will be filed for students with poor attendance records. Financial assistance, whether Veterans Administration, federal and state grants and scholarships, student loans, work-study, or private funding, may be cancelled or reduced if attendance is unsatisfactory.
Since attendance is a legitimate basis for grading by instructors, students will receive progress reports for lack of attendance (see "Progress Reports"). If absent from class, students should explain the reason for their absence to their instructors.

**STUDENT RECORDS**
In addition to academic transcripts, students' records are maintained by the Registrar’s Office. A student record may include the application for admission, high school transcript, other college transcripts and the transfer credit evaluation, correspondence, student progress reports, and other student information. Students may review their own student record any time during office hours with proper identification.

**STUDENT'S RIGHT TO KNOW**
Kirtland Community College recognizes the importance of maintaining records for all students in attendance. While a student's educational interests require the collection, retention, and use of information about the student, the student's right to privacy requires careful custodianship and limitations on access to education records. The maintenance and disclosure of student records by this institution are governed by state and federal law, particularly the Family Educational Rights and Privacy Act ("FERPA"), 20 USC 1232g, and its implementing regulations, 34 CFR 99.1 et seq. It is the purpose of this policy to protect the educational and privacy rights of students and to establish procedures for the disclosure of student records in compliance with the law.

The President of Kirtland Community College is responsible for implementing this policy. The President's duties include, but are not limited to: informing students of their rights under this policy, utilizing administrative resources to implement and enforce this policy, developing procedural guidelines for the proper collection, storage and disclosure of student records and informing employees of this policy and the procedures relative to student records.

**DEFINITIONS**
For the purposes of this policy, Kirtland Community College employs the following definitions:

**EDUCATIONAL RECORDS**
Any record (whether in print, handwriting, tape, film, computer, electronic, or other medium) maintained by the college, a college employee or agent, or a party acting on the college's behalf, which is directly related to a student. The term does not include the following:

1. Records (including notes and observations) kept by a staff member that are in his/her possession and are not available to another person, except a substitute.
2. Records created and maintained by Kirtland Community College law enforcement and security personnel for law enforcement purposes only.
3. Employment records which are made and used only in relation to a student's employment at Kirtland Community College.
4. Records made and maintained by a physician, psychiatrist, psychologist, or paraprofessional acting in his/her professional capacity, which are made, maintained, or used in connection with treatment of the student (which does not include remedial education) and are disclosed only to individuals providing treatment.
5. Records that only contain information about a student after he/she is no longer in attendance.

**STUDENT**
Any person who attends or has attended a program of instruction sponsored by Kirtland Community College.

**STUDENT RIGHTS**
FERPA affords students enrolled in postsecondary institutions certain rights with respect to education records. Those rights include the following:

1. **Right to Inspect:** A student has the right to inspect and review his/her education records maintained by Kirtland Community College within 45 days of the school's receipt of a written request for access.
2. **Right to Request Amendment:** A student has the right to request the amendment of his/her education record(s) that are believed to be inaccurate or misleading. This right includes the right to a hearing to present evidence that the record should be revised. If a requested amendment is denied after a hearing, a student also has the right to place a statement in his/her educational record commenting on the challenged information.
3. **Right to Consent to Disclosure:** A student has the right to consent to disclosures of personally identifiable information contained in his/her education record, except to the extent that FERPA authorizes disclosure without consent.
4. **Right to Complain:** A student has the right to file a complaint with the U.S. Department of Education concerning alleged failures by Kirtland Community College to comply with FERPA requirements.

5. **Right to Obtain Copies of this Policy:** A student has the right to obtain copies of this policy upon request.

**DISCLOSURE**

Kirtland Community College will disclose information from a student's education record only with the written consent of the student, except that disclosures without consent may be made:

1. To school officials who have legitimate educational interest in the records. A school official is a person employed by Kirtland Community College in an administrative, supervisory, academic or research, or support staff position, including law enforcement unit personnel and health staff; a person or company with whom Kirtland Community College has contracted, such as an attorney, auditor, or collection agent; a person serving on the board of trustees, who is empowered by the board; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official has a legitimate educational interest if he/she needs to review an education record to fulfill his/her professional responsibilities.

2. To officials of other schools where a student seeks or intends to enroll. (A student may obtain copies of records transferred).

3. To federal and state officials in connection with their duties to audit or enforce legal conditions relative to federal or state supported programs.

4. In connection with a student's request for or receipt of financial aid, as necessary to determine the eligibility for aid, the amount or conditions of the aid, or to enforce the terms and conditions of aid.

5. To state juvenile justice system officials as permitted by state law.

6. To organizations conducting certain studies for or on behalf of the college for the purposes of predictive testing, student aid, and instructional improvements.

7. To accrediting organizations to carry out their function.

8. To parents who claim the student as a dependent for income tax purposes.

**SOLOMON AMENDMENT**

In addition to FERPA, the Solomon Amendment requires that schools, upon request, provide the military with information on currently enrolled students for military recruiting purposes. For such requests, the following information can be released on students 17 years of age or older: name, address, telephone listing, date and place of birth, level of education, academic program, degrees received and the educational institution in which the student was most recently enrolled. Any future changes to the Family Educational Rights and Privacy Act of 1974 or the Solomon Amendment will be complied with by Kirtland Community College.
STUDENT NOTIFICATION
In order to comply with FERPA, Kirtland Community College shall publish a notice to students explaining their rights under FERPA and designating directory information which may be disclosed without consent. A statement regarding this notice will be published in the college catalog. If a student has a primary language other than English, Kirtland Community College shall endeavor to notify the student of his/her rights in the student's native language.

INSPECTION OF STUDENT RECORDS
A student may inspect and review his/her own education records upon written request submitted to the registrar. This request should precisely as possible identify the education record(s) the student wishes to inspect. If the records are not maintained by the Registrar's Office, the Registrar shall advise the student of the correct official to whom the request should be addressed. The registrar or other school official will make arrangements for access as promptly as possible and notify the student of the time and place where the records may be inspected. Access must be given within 45 days from receipt of the request by the appropriate school official.

When a record contains information about students other than the requesting student, the student may not inspect the portion of the record that pertains to other students. In addition, a student does not have the right to inspect or review the following education records: financial records, including any information those records contain of his/her parents, and confidential letters/statements of recommendation as long as the statements are only used for their intended purposes, the student has waived his/her right to review those materials, and the materials relate to the student's admission to an educational institution, application for employment, or receipt of an honor or honorary recognition.

AMENDMENT OF STUDENT RECORDS
If a student, upon review of his/her record, would like to request or amend a record believed to be inaccurate or misleading, a written request should be submitted to the school official responsible for the record. This request should clearly identify the record that the student wants changed and specify why it is inaccurate, misleading or in violation of the student's privacy rights. The school official may or may not comply with the request. If the record is not amended as requested by the student, Kirtland Community College shall arrange a hearing and shall provide the student with reasonable notice of the date, time and place of the hearing. The hearing will be conducted by a disinterested hearing officer; however, the hearing officer may be a school official. The student shall have the opportunity to offer evidence in support of his/her request for amendment. The student also has the right to be represented at the hearing. The hearing officer will prepare a written decision based solely upon the evidence presented at the hearing, which shall be distributed to the parties. The decision will include a summary of the evidence and a reason for the decision. If Kirtland Community College determines that the student's education record should not be amended, the student must be notified that he/she has the right to place a written statement in his/her education record setting forth objections to the challenged information and/or disagreements with the decision not to amend this record. This statement shall be maintained with the challenged portion of the student's education record and be disclosed with that record. If Kirtland Community College determines that the student's education record must be amended, it shall amend the record and notify the student that the record has been amended.

RELEASE OF INFORMATION
Kirtland Community College may release information from a student's education record to a third party if the student gives prior written consent for the disclosure. All requests for release of such information shall be made in writing. The written consent must include the following information: a specification of the record(s) to be released, the reason for disclosure, the person(s) or organization(s) to whom the disclosure will be made, the student's signature and the date of consent and, if appropriate, the date upon which consent terminates. Kirtland Community College will not disclose personally identifiable information in a student's education record to a third party unless that party agrees to redisclose the information only with the student's prior written consent.

RECORD OF DISCLOSURE
Kirtland Community College shall maintain an accurate record of all requests for access to, and disclosures of, a student's education record and a record of any access or disclosure permitted. The following procedures shall apply: this record will be kept with, but will not be part of, each student's educational record. This record will only be available to the student, college officials, and federal, state or local officials. This record will include the name of the requesting party, additional parties to whom the information may be disclosed, the party's interest in the information, the date of the request, whether the request was granted or denied, and the date of any access or disclosure permitted. This record will be maintained as long as Kirtland Community College maintains the student's education record. This record keeping requirement does not apply to requests by or disclosure to the student, school officials, a party with written consent from the student, a party seeking directory information, or a party seeking information pursuant to a confidential court order or lawfully-issued subpoena.
DIRECTORY INFORMATION
Under FERPA, Kirtland Community College is authorized to designate certain personally identifiable information contained in education records as "directory" information and may disclose such information without prior written consent unless a student objects to such disclosure.

Kirtland Community College designates the following personally identifiable information contained in a student's education record as directory information: student name, address, electronic email address, ID number, part-time/full-time status, freshman/sophomore status, program of study, weight and height of athletes, most recent educational institution attended, photographs, date of birth, participation in officially recognized activities and sports including positions held, dates of attendance, date of graduation, and degrees and awards received.

The following procedures apply to the notification and designation of directory information:

1. Kirtland Community College will publish in the college catalog the list of items of personally identifiable information that it designates as directory information.
2. A student may submit a Notification of Non-Disclosure form to the Registrar's Office to indicate that he/she does not want this designated directory information released.
3. School officials shall mark the student's education record indicating that directory information may not be disclosed pursuant to the student's objection.
4. Absent written objection by a student, Kirtland Community College may release designated directory information without prior written consent.
5. The Notification of Non-Disclosure remains in effect only for the current semester and also applies to requests for information as defined under the Solomon Amendment.

In order to comply with the Solomon Amendment, Kirtland Community College will provide the available directory information of currently enrolled students to the military, for which a request should be submitted to the Registrar's Office at least two weeks prior to the end of the requested semester. A fee will be charged for this list and this fee will need to be collected prior to any information being disclosed.

Kirtland’s licensed professional counselor is trained to help students deal with the college experience.

Services provided include the following:
- Personal, career, and academic counseling
- Administering and interpreting interest and personality test instruments for students seeking career and educational information (no charge)

Personal counseling on campus is available through the Counseling Office. Long-term counseling is available through referral to community agencies that provide this service. The college maintains a referral list of local crisis centers and mental health clinics qualified and available for personal counseling.

This office also offers a wide variety of services to individuals who desire assistance with career planning and preparation. Help is available with career exploration, job search strategies, résumé/cover letter writing, interviewing techniques, and employability skills. For individuals seeking employment, numerous job search resources are located on the Internet at www.kirtland.edu/career-counseling. PREPARING TO TRANSFER (From Kirtland to the senior institution)
Transfer students need to be aware of all deadlines, such as payment for tuition and fees, residence hall reservations, financial aid and scholarships, placement testing, etc.

STUDENT FOOD PANTRY
Students are finding it harder and harder to concentrate on getting an education when working on empty stomachs. Sometimes it comes down to feeding their families or buying gas to get out to campus. We are here to help. Kirtland established its Student Food Pantry in the Winter 2012 semester. We cannot solve every problem, but we might make it a just a little bit easier for students to continue their education. Without a degree, there is no escape from these tough economic problems.

To apply for food pantry assistance, students must be currently enrolled at Kirtland and must show a current Kirtland ID card at every visit. There will be no exceptions. Students will be required to fill out a brief intake form with basic information on the first visit to the pantry; however, all visits to the pantry are tracked only by Student ID and anonymity is always protected. Students are able take advantage of the pantry once a month to obtain various non-perishable food items. The food selection is dependent on what has been donated at any given time. For more detailed information and to apply online: http://www.kirtland.edu/food-pantry.

CRIME REPORTING
If anyone witnesses a crime or is a victim of any criminal activity, he or she should take immediate action by contacting the Public Safety
Office at extension 355 or by contacting the Roscommon County Sheriff’s Department at 911.
NOTE: Upon request, data can be obtained from the Department of Public Safety or the Student Service Office regarding incidents
reported.

CAMPUS SAFETY AND SECURITY
The campus is nestled in a beautifully wooded setting. The surroundings are tranquil and peaceful. Yet, although Kirtland is a relatively
safe place to be, it is certainly not exempt from many of the same crime problems that exist in the surrounding communities. Kirtland has
implemented measures to promote safety awareness and strives to ensure that the campus is a safe environment for the campus community.
The Department of Public Safety in room 127 in the administration building can provide more information about the ways Kirtland works
toward this goal.

DEPARTMENT OF PUBLIC SAFETY
The personal safety and security of those on campus are the primary concerns of the Department of Public Safety. The goal is to ensure a
safe environment in which all of the campus community members can work and learn. In order to attain this goal, cooperation is needed.
Members of the campus community must take responsibility for the safety and security of themselves, their neighbors, and their
belongings.
EMERGENCIES
Sometimes emergencies arise on campus that requires the services of the fire department, county sheriff's office, Michigan State Police, or an ambulance. The services can be reached by calling extension 355 or 390. The public safety department can assist with these situations and refer them to the proper authorities. Battery jumps and assistance in unlocking car doors are performed by the Public Safety officers and campus security.

FIRE SAFETY AND FIRE ALARMS
Students and employees of the college are encouraged to know where fire alarms, fire extinguishers, and emergency exits are located in each building.

If a fire alarm sounds, get out of the building! Treat all fire alarms as real, even if there is reason to believe the alarm is a false alarm. Do not reenter the building until given permission to do so by college officials.

NOTE: A false alarm is dangerous and a felony. Anyone sounding a false alarm will receive the minimum sanction of suspension from college.

PARKING AND TRAFFIC ON CAMPUS
Through enforcement of parking and traffic policies, it is Kirtland's desire to provide a safe means for entry and departure from campus lots. It is also hoped that fire, safety, and maintenance vehicle access lanes, handicap spaces, and loading/unloading opportunities can be provided with the least amount of inconvenience.
Parking on campus is free and allowed in approved areas only. Parking is not allowed in fire lanes, on or besides walking paths, on grass, or next to buildings. In addition, parking in the lot adjacent to the career technology center is reserved for patrons of automotive and cosmetology services. Students should park in designated areas only.

Parking spaces for service vehicles and the handicapped are posted. A permanent or temporary handicapped sticker from the Secretary of State’s Office is needed to park in the handicapped areas.

Parking and traffic violators on campus will be ticketed by Kirtland's Public Safety officers. The following fines are imposed on violators:

Violation of these regulations could lead to removal from college property, suspension, or dismissal from the college, and/or liability for legal prosecution.

POLICY ON WEAPONS (FIREARMS, KNIVES, EXPLOSIVES)
Possession or use of knives (blade in excess of 3-1/8 inches), firearms, firecrackers, explosives, other lethal weapons, and/or toxic or dangerous chemicals on campus or at any college-sponsored events, unless specifically authorized in writing by a college administrator for educational/safety purposes, is prohibited. However, possession in a locked vehicle may be permitted according to state laws. Law enforcement officers are exempt from this policy.

PUBLIC SAFETY SERVICES

Senate meetings are held regularly during the year and are announced on the monitors located around the campus. These meetings are open to all who are interested. Policies

NONDISCRIMINATION
It is the policy of Kirtland Community College that no person shall, on the basis of race, color, religion, national origin or ancestry, age, sex, disability, physical proportions, sexual orientation, marital status, or genetic information be excluded from participation in, be denied the benefits of, or be subjected to, discrimination during any program, activity, service, or in employment. For information, or to register a grievance, contact the Director of Human Resources, Room 226 ADM Building, 10775 N St Helen Rd, Roscommon, MI 48653, 989-275-5000 x 271 or 239.

HARASSMENT
It is the policy of Kirtland Community College, consistent with its efforts to foster an environment of respect for the dignity and worth of all members of the college community, that harassment, in any form, of students, employees, or other individuals at Kirtland Community College is unacceptable and impermissible conduct which will not be tolerated. Harassment is any statement or conduct which constitutes an illegal quid pro quo (an unwelcome demand for an exchange of favors), or otherwise creates or fosters an intimidating, hostile, or offensive campus environment. Anyone facing an immediate physical threat should contact the Department of Public Safety at extension 283 (emergency extension, 355). For more information, or to file a harassment complaint, please contact the Business Office, located in rooms 226 - 228 of the administration building, or call 989-275-5000, extensions 239 or 271.

PROCEDURE FOR REPORTING DISCRIMINATION
Option 1: Informal
The College encourages informal resolution of complaints. If appropriate, you may first discuss the complaint directly with the individual against whom the complaint is made. If the alleged discrimination involves a department or unit rather than an individual, you may discuss the complaint with a representative of that department/unit. If the complaint is not resolved as a result of this discussion, or if you do not wish to proceed informally, you should proceed to Option 2.

Option 2: Formal
File a complaint with Kirtland Community College's Office of Human Resources. If this office includes the person alleged to have discriminated, the complaint may be filed directly with the president of the college. The complaint must be in writing and include your name and address, the nature of the alleged violation, names of persons responsible for the alleged violation (where known), requested relief or corrective action, and any background information you believe to be relevant (e.g. witnesses to the alleged violation, name or groups of other persons who may be affected, etc.).
A complaint should be filed in a timely manner following an alleged violation. The college will take affirmative steps to comply with non-discrimination policies at any time a violation becomes known, but may not be able to address a specific instance of alleged violation if the passage of time has rendered memories unclear and relevant documentation is lacking. If you believe you have been improperly discriminated against, you are urged to initiate either option within a week.

Upon receipt of the complaint, the college will immediately conduct an investigation. All parties related to the complaint will be afforded the opportunity to submit evidence (including statements from witnesses) relevant to the complaint. The investigation will be completed within 20 working days and a statement of findings will be issued to you and to the individual or department/unit against whom the complaint is made.

If the college determines that the allegations of discrimination have merit, a proposed resolution according to law and college policy will be submitted to the parties involved. If the proposed recommendations are acceptable to you and the solutions are implemented, the complaint is considered resolved.

You may request a reconsideration of the case (an appeal) in instances where you are dissatisfied with the resolution. The request for consideration should be filed in the President’s Office within 10 working days of receipt of the resolution, or as soon as possible following evidence the accepted solution has not been implemented. The president will review the request and issue a final resolution in a timely manner. The decision of the president is final.

Anyone at any time may contact the following:

United States Department of Education
600 Superior Avenue East

Complaints of discrimination will be treated as confidentially as possible, recognizing the potential need to notify the alleged perpetrator of the facts relative to the alleged violation, contact and interview witnesses and other knowledgeable parties, inform key staff of issues required for compliance, and reply to any state or federal agencies who may have been informed of the alleged violation.

TOBACCO-FREE POLICY

DRUG-FREE LEARNING ENVIRONMENT
Kirtland Community College recognizes that the use of illicit substances is wrong and harmful to the physical, social, and emotional well-being of its students and directly affects their ability to learn, function, and be successful in school. Therefore, the college has adopted and implemented policies which promote drug prevention and education, and which prohibit the unlawful possession, use, distribution, or being under the influence of illicit substances by all students on school premises or as part of any school business, activity, or function. Specific information on standards of conduct, disciplinary sanctions, and other aspects of this policy are available in other sections of this catalog (please refer to the “Student Code of Conduct”), other appropriate publications, and from the Student Success Center Office. Please contact this office for more detailed information about drug and alcohol counseling, rehabilitation, and/or re-entry programs.

For details of the rights, please refer to “Student’s Right to Know” (page 38).
SOCIAL SECURITY NUMBER
The college asks for the student’s Social Security number at time of admission to verify identification. The college shall obtain social security numbers from individuals for a valid business purpose only, and shall ensure to the extent practicable the confidentiality of social security numbers in its possession. The college prohibits unlawful disclosure of social security numbers and prescribes limits on who has access to information or documents that contain social security numbers. Documents containing social security numbers shall be properly disposed of, and the college provides penalties for violation of the privacy policy.

For identification purposes, a college-wide unique identification number (UIN) will be individually assigned to all students, employees, and other associated individuals, such as contractors or consultants. The UIN will be considered a public piece of information. This UIN will be assigned at the earliest possible point of contact between the individual and the college. The UIN will be used in all electronic and paper data systems to identify, track, and service individuals associated with the college. It will be permanently and uniquely associated with the individual to whom it is originally assigned.

RIGHTS AND RESPONSIBILITIES OF STUDENTS
Kirtland Community College recognizes those enrolled in a course or program of study as being students and, therefore, members of the academic community. As members of this community, they are subject to the obligations which accrue to them by virtue of this membership. While enjoying freedoms of speech, peaceful assembly, right of petition, and the right of due process, all students are expected to conduct themselves in a manner that will reflect favorably on them, the community and Kirtland Community College.

Academic Freedom
The student in the classroom and in conference should enjoy free discussion, inquiry and expression. Student performance shall be evaluated on an academic basis, as defined in the syllabus for each course.

A. Protection of Freedom of Expression:
   Students shall be free, and be encouraged to offer opinions and insights in any course of study and be allowed to reserve judgment about matters of opinion expressed by the instructor or other students. Also, students are responsible for learning the content of any course of study for which they are enrolled.

B. Protection Against Improper Academic Evaluation:
   Students shall have protection through due process against prejudiced or capricious academic evaluation. At the same time, they are responsible for maintaining standards of academic performance established for each course in which they are enrolled. Students may use the procedures outlined under "Procedure for Academic Due Process" when a dispute over grades occurs.

Freedom of Assembly
No person or persons shall assemble in a manner which obstructs the free movements of persons about the college or the free normal use of the college buildings and facilities, or prevent or obstruct the normal operations of the college.

Right to Due Process
An individual charged with a violation of the student code of conduct has the right to due process. A student who is dissatisfied with an academic decision also has the right to due process. Due process at Kirtland Community College means that a student is assured that his/her rights as a student will be protected. Further, and specifically, a student has the right:

A. To be informed in writing of the specific charges and the grounds for such charges.
B. To have a chosen advisor, counselor or lawyer (at the student's own expense) present for advice before, during and/or after the hearing. The role of this individual is limited to an advisory capacity with no right of cross-examination.
C. To be present at the hearing, if desired.
D. To exercise the privilege against self-incrimination.

G. To appeal the Committee's decision to the President.
H. To waive the right of a formal hearing before the Committee and to have the case heard by the appropriate vice president.
Laws, Regulations and College Policy

Students shall obey the laws enacted by federal, state and local governments, as well as the policies and regulations of Kirtland Community College. If a student is charged with a misdemeanor or felony, the college will fully cooperate with civil authorities while recognizing the student's rights under the Family Educational Rights to Privacy Act ("FERPA").

Note: Under FERPA, an educational institution, including a community college, may not disclose personally identifiable information found in a student's education record to law enforcement officials, unless such disclosure is "to comply with a judicial order or lawfully issued subpoena." In such a situation, the college must make a reasonable effort to notify the parent or student of the order or subpoena in advance of compliance.

Student Code of Conduct

College student conduct expectations are essential to the establishment of an environment conducive to learning, to the protection of Kirtland Community College's educational purpose and to the maintenance of a reasonable level of order on the campus. The college strives to maintain these standards through educational programs, services to the students and the promotion of student conduct standards.

Enrollment as a student at Kirtland Community College carries with it behavioral obligations inside and outside the classroom. Students are responsible for obeying municipal, state and federal laws which govern the community, as well as for the rules and regulations of the college. If a student participates individually or as a member of a group in any of the "Forms of Misconduct" (listed below), he or she can be subject to disciplinary action. Further, sanctions may be imposed upon student groups or organizations, including the sanction of deactivation which entails the loss of all the privileges and/or college recognition for a specified period of time. Generally, college jurisdiction and discipline shall be limited to conduct which occurs on college premises or which adversely affects the college community and/or the pursuit of its objectives. The student code of conduct is in effect for students while they are on any campus property, as well as other property in the possession of or owned, used or controlled by the college.

The code of conduct also applies to off-campus activities, such as field trips, off-campus classes and college-sponsored events, and federal or state law may mandate the interest of the college in other instances. On a case-by-case basis, the vice president of student services or the appropriate instructional vice president will determine whether jurisdiction should be asserted to address the adverse effects of an off-campus activity.

A. Disciplinary Actions

Violations of the student code of conduct are subject to disciplinary action and will be given immediate attention by the college. The appropriate vice president may impose any of the following disciplinary actions:

1. Warning: A "WARNING" is an official reprimand which expresses college dissatisfaction with the student's conduct and which clarifies expected behavior in the future. Such action is in effect for the duration of the semester in which the warning was issued. Normally, a warning does not include any restrictions. If the same offense is repeated after a warning is given, probation will be the minimum sanction awarded.

2. Probation: "PROBATION" status indicates that any violation of the code of conduct within the probationary period shall result in more severe disciplinary action against the student that could include suspension or dismissal from the institution. Usually, the probationary period extends for a specified period of time or until completion of a specific requirement. Probation in itself does not carry with it any restrictions; but, in addition to probation, it is possible for a student to be expected to complete a work assignment, pay a fine or be prohibited from holding an office or representing the college in any activity.

3. Removal from a Course: If "REMOVAL FROM A COURSE" occurs, a student may continue to attend other classes, but may not resume attendance in the course from which he or she has been removed for the remainder of the semester in which the removal occurs. In the event a student is removed from a course, he or she will be given either a withdrawal or a failure in accordance with the college's "Withdrawal From Classes" policy.

4. Suspension: "SUSPENSION" is an action that separates the student from the institution for a definite period of time (days, weeks, semesters, etc.) and is to be appropriate with the circumstances of the violation. Such action will specify the conditions required for readmission, as well as the date the student will be eligible to return.

5. Expulsion: "EXPULSION" is an action that permanently separates the student from the institution.

6. Specific Orders: "SPECIFIC ORDERS" is an action which may stand alone or be issued with another sanction. Specific orders may include, but are not limited to, performance or non-performance of specific acts, loss of certain privileges, payment of fines, restitution and work assignments.

Any disciplinary action imposed on a student will be recorded in the student's confidential file in the Student Service Office. A disciplinary
action cannot be recorded on a student's transcript.

B. Forms of Non-Academic Misconduct: The following forms of misconduct will not be tolerated by the college. Minimum sanctions, disciplinary actions, normally taken by the college are indicated in parenthesis following each violation. Note: This list is not inclusive of all possible forms of misconduct. The college's administration may add to this list if needed.

College disciplinary proceedings may be instituted against a student charged with violation of a law which is also a violation of the student code of conduct, i.e., if both violations result from the same factual situation, without regard to the pendency of civil litigation in court or criminal arrest and prosecution. Such proceedings under this student code of conduct may be carried out prior to, simultaneously with or following civil or criminal proceedings off-campus.

1. Arrest for or conviction of any civil or criminal laws committed while on campus or at college sponsored events. (Probation)

(Suspension)

Note: To determine conduct or expression which is disorderly, lewd, indecent or obscene, the U.S. Supreme Court has set forth the following three-prong test to determine obscenity: The basic guidelines for the trier of fact must be: (a) whether the average person applying contemporary community standards would find that the work/action, taken as a whole, appeals to the prurient interest; (b) whether the work/action depicts or describes, in a patently offensive way, sexual conduct specifically defined by the applicable state law; and (c) whether the work/action, taken as a whole, lacks serious literary, artistic, political, or scientific value.

8. Engaging in any kind of hazing action on or off campus that endangers the mental health, physical health or safety of a student or which destroys or removes public or private property for purpose of initiation or admission into, affiliation with, or participation in any student organization. 2. Cheating, plagiarism or other forms of academic dishonesty including the unauthorized acquisition of tests or other academic materials. This includes students who aid and abet, as well as those who attempt such behavior. (An instructor may administer a penalty up to and including failure in a particular course. In some cases, such as in nursing and criminal justice programs, the student handbook outlines the appropriate action. If a student fails two classes as a result of academic dishonesty, he or she is dismissed from the college for the remainder of the semester in which the second violation occurs and the following academic semester that is required for that student's program of study, i.e. some programs require students to take classes during the summer semester, most programs do not.)

Note: Cheating includes, but is not limited to:

   b. Dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments;

   c. The acquisition, without permission, of tests or other academic material belonging to a member of the college faculty or staff.

   Plagiarism is representing the work of other persons as one's own, including but not limited to the use of work by others and information downloaded from the Internet. The use of another person's words, ideas, or information without proper acknowledgement, whether done intentionally or through carelessness, is also plagiarism. The student should seek guidance from the instructor about acceptable methods to be used to acknowledge the work and ideas of others.

3. Deliberate interference with academic freedom or freedom of speech, including disruption of a class, or interference with the freedom of any speaker invited by the college to express his/her views. (Warning)

The vice presidents will decide whether the conduct will be considered academic (section C) or non-academic (section B) and will follow the appropriate procedure.

Disclosure of Student Rights and Responsibilities:

Both policy and procedure for "Student Rights and Responsibilities" will be made available to all students and employees. To ensure this occurs, any college catalog, student handbook or faculty handbook printed after December 31, 1990, must include this information.

RIGHTS AND RESPONSIBILITIES OF STUDENTS

At Kirtland Community College, two procedural forms of due process exist; Academic Due Process and Non-Academic Due Process. As conditions permit, either form of due process is provided to the student within a reasonable amount of time. In certain circumstances, the vice president, or his/her designee, may impose a separation, and/or an interim suspension prior to the hearing before the committee.

A. Separation means the specified individual(s) may participate in class and other college activities, but shall avoid contact of any sort with other designated individuals. Separation may involve interim suspension from specified classes, college locations, and activities, if deemed necessary.

B. Interim suspension may be imposed only:

   1. To ensure the safety and well-being of members of the college community or preservation of college property;

   2. To ensure the student's own physical or emotional safety and well-being;
3. If the student poses a definite threat of disruption or interference to the normal conduct of operations of the college.

C. During the period of interim suspension, the student shall be denied access to the campus (including being barred from classes) and/or all other college activities or privileges for which s/he might otherwise be eligible as the vice president of student services may determine to be appropriate.

D. The interim suspension shall continue until the student’s due process procedures are complete. The hearing for this matter should follow the vice president’s actions as soon as practicable.

Procedure for Non-Academic Due Process:

Any member of the college community may file charges against a student for an alleged violation of the student code of conduct. There are two means of doing so:

A. Immediately inform a responsible employee of the college. A responsible employee of the college is any regular employee directly hired by the college, and would include any full-time instructor or full or regular part-time staff person. If the responsible employee is not in a position to act on the complaint, they are charged with informing those who are. Please provide sufficient detail, in writing if possible, so that the office the responsible employee refers the complaint to can act effectively on the complaint. **IF THERE IS IMMEDIATE RISK TO LIFE OR PROPERTY CALL EXTENSION 355 or dial 911**

B. File a Behavioral Intervention Team (BIT) Referral Form. To do so, access the Kirtland Website at [http://www.kirtland.edu/bit](http://www.kirtland.edu/bit) and click on the BIT Referral Form, or go directly to [https://publicdocs.maxient.com/incidentreport.php?KirtlandCC](https://publicdocs.maxient.com/incidentreport.php?KirtlandCC). This form is recommended if there is a concern for health or safety, if there is a problem with accessibility, if there is a belief that harassment or retaliation has taken place, if a breach of confidentiality has occurred, or other related matter. **IF THERE IS IMMEDIATE RISK TO LIFE OR PROPERTY CALL EXTENSION 355 or dial 911**

The college is committed to providing an educational environment free of serious misconduct, will investigate reported allegations of such misconduct, will address known violations, and will act to prevent recurrence and to remedy effects.

Any person who believes they are a victim of sexual misconduct, or who observes what they believe to be an act of sexual misconduct, within the jurisdiction of Kirtland Community College, is urged to immediately make a report, and, if possible, take appropriate steps to preserve evidence. The college will conduct a prompt, fair, and impartial investigation, and act on the basis of the facts determined, according to college policy and applicable law. Individuals should be aware that the college exercises civil authority, not criminal, and may work both in collaboration with, and proceed separately and apart from, the criminal justice system.

Once charges have been formally filed, the following procedure for Non-Academic Due Process shall be observed:

A. An official of the college shall meet with the person (complainant) who has filed a charge against another person or student organization. If the complainant requests confidentiality or asks that the complaint not be pursued, the college will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality or request not to pursue. If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, the complainant must be aware that the college’s ability to respond may be limited. If the complainant reports a violation which threatens the safety of others, the college may not be able to guarantee confidentiality.

B. The vice president of student services will notify the accused student (in writing) of the charges filed against him/her and the college’s policy regarding due process.

C. If the accused student does not waive their rights, then the vice president of student services will appoint a student judiciary committee composed of not less than three, nor more than five, college employees. Alternatively, for peer consideration, up to two students may be appointed in lieu of employees, so long as at least three members are employees in good standing. All committee members shall be informed of the requirements of confidentiality, and of the potential sanctions for breach of confidentiality. An employee knowledgeable in hearing procedure will be appointed to chair the hearing. The members of this committee must have no vested interest in the matter. The vice president of student services cannot serve on this committee.

D. The person filing the complaint and the person or student organization charged with violating the student code of conduct are responsible for providing statements from witnesses and other evidence to investigating officials. Witness statements can be provided verbally during the hearing or in written (signed and dated) form. Both parties may have other individuals at the hearing. These individuals are limited to an advisory capacity with no right of intervention or cross-examination. Investigating officials may present evidence prior to the hearing, to be made available to both parties, and may be called on to testify at the hearing, subject to cross-examination by the accused party.
E. The student judiciary committee has the responsibility of hearing the charges against the accused student and reviewing the evidence. The hearing will take place within ten working days following the accused student's receipt of the written charges. A verbatim record will be made of all hearings. This record remains the property of the college and shall be maintained for a period of two years. Within one working day following the hearing, the committee will submit (in writing) its recommendation to the vice president of student services.

F. The vice president of student services will render a decision on the case, which may include sanctions imposed on the student. The vice president will then inform (in writing) all parties involved of his/her decision within three working days of the receipt of the student judiciary committee's recommendation.

G. If the student wishes to contest the vice president of student services' decision, s/he may appeal to the President within three working days following notification of the vice president’s decision (refer to "Appeal Process"). The President's decision will be final.

Note: A student who commits a drug or alcohol related infraction (Forms of Misconduct #15 or #16), will be immediately referred to the vice president of student services. The vice president may provide the student with a choice of the following options:

Option #1: Referral to the Kirtland’s student assistance program and/or to a substance professional for a substance abuse intake interview and assessment. The vice president will also give a formal “warning” to the student.

Option #2: Referral to the student judiciary committee for a hearing. If found in violation by the committee, the student may be suspended for the remaining portion of the current semester with no refund of tuition and fees. Further, if suspended, the student must show evidence of an intake interview and assessment with a substance abuse professional in order to return to Kirtland.

Procedure for Academic Due Process:

A. If an instructor fails a student in a course for academic dishonesty, the instructor must immediately notify, in writing (Academic Student Conduct Complaint Form), the student and the vice president of instruction. The vice president of instruction shall maintain a record of all such notifications.

B. If a student wishes to appeal a grade or academic decision, s/he must first meet with the faculty member to discuss his/her grievance. This meeting should take place within 3 working days.

C. If the student and faculty member do not come to a satisfactory agreement, or if charged with academic misconduct, the student may appeal to the appropriate dean within 3 working days. If the problem is not resolved at this level, the student may appeal to the vice president of instruction.

D. If the student chooses to appeal to the vice president of instruction, a written request (which includes a brief summary of the grievance) must be submitted within 3 working days. The vice president will review the appeal. Within three working days after receiving the appeal, the vice president shall render a decision.

E. Should the student wish to pursue the matter further, the vice president will refer the complaint to the academic appeals committee. The instructional vice president will appoint an academic appeals committee composed of two full-time faculty members, one administrator and two students. The vice president will appoint one of the faculty members to chair the hearing. The members of this committee must have no vested interest in the matter. The vice president cannot serve on this committee.

F. The academic appeals committee has the responsibility of hearing the grievance and reviewing the evidence. The hearing will take place within ten working days following the student's request for a hearing. A verbatim record, such as an audio recording, will be made of all hearings. This record remains the property of the college and must be maintained for a period of two years. Within one working day following the hearing, the committee will submit (in writing) its recommendation to the vice president.

G. The vice president will render a decision on the case. The vice president will then inform (in writing) all parties involved of his/her decision within three working days of the receipt to the academic appeals committee's recommendation.

H. If the student wishes to contest the vice president's decision, he/she may appeal to the President within three working days following notification of the vice president's decision (refer to "Appeal Process"). The President's decision will be final.

Appeal Process(es):
An appeal shall be limited to review of the verbatim record of the initial hearing and supporting documents for one or more of the following purposes, except as required to explain the basis of new evidence:

A. To determine whether the original hearing was conducted fairly in light of the charges and evidence presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and present evidence that the student code of conduct was violated and giving the accused student a reasonable opportunity to prepare and to present his or her rebuttal of those allegations.

B. To determine whether the decision reached regarding the accused student was based on substantial evidence, i.e., were the facts in the case sufficient to establish whether there was, or was not, a violation of the student code of conduct?

C. To determine whether the sanction(s) imposed was appropriate to the violation of the student code of conduct which the student was found to have committed.

D. To consider new evidence, sufficient to alter a decision, or other relevant facts not brought out in the original hearing because such evidence and/or facts were not known to the person appealing at the time of the original hearing.

**STATEMENT/GUIDELINES REGARDING AIDS**
In response to the epidemic of infection with Human Immunodeficiency Virus (HIV), which causes the Acquired Immunodeficiency Syndrome (AIDS), Kirtland Community College has adopted these guidelines based upon the recommendation of the American College Health Association.

AIDS is a serious illness, a public health problem, and an immediate concern to the college community. AIDS is characterized as a defect in natural immunity against disease. People who have AIDS are vulnerable to critical illnesses that are not a threat to anyone whose immune system is functioning in a standard and typical fashion.

AIDS is caused by a virus commonly called HIV. Presently, there is no known cure or effective vaccine. However, the consensus of authoritative medical opinion, as reflected by the Center for Disease Control and Public Health Service, is that AIDS is not a readily communicable disease.

There are no known cases of AIDS transmission by food, water, insects, or casual social contact, and no spread of the virus has been found within family groups in which one or more persons have been diagnosed with AIDS, except from sexual and/or intravenous transmission. The current scientific understanding is that the AIDS virus is transmitted only through an exchange of infected body fluids, blood, or blood products. Such exchanges may occur when the needle of an infected person (in most cases, a drug addict) is used by someone else, through a blood transfusion from an infected person, or through intimate contact involving the transfer of semen and vaginal fluids.

**NOTE:** The use of condoms can significantly reduce spread of this virus. AIDS has not been shown to be transmitted by saliva, tears, nasal secretions, vomitus, urine, or feces. Considering current authoritative medical opinion, there is no basis for routinely excluding or dismissing employees or students because they have AIDS, ARC (AIDS-Related Complex), or AIDS virus antibodies. Since these conditions have been designated as handicaps and are treated as such by the Elliott-Larson Civil Rights Act, it is also against the law to dismiss someone on this basis. No broad blood screening test will be required.

The right to privacy of all individuals will be respected and protected, and the confidentiality of any required records that may be required will be maintained. Because the virus is not transmitted by ordinary contact, it is neither necessary nor appropriate for the protection of roommates, classmates, or employees to share with them any information regarding a student or employee with AIDS and AIDS-related conditions.

Kirtland Community College will comply with all federal and state laws and regulations, including those of the United States Public Health Service and the guidelines from the Center for Disease Control and the American Health Association, which bear on the welfare of persons within the college community who test positively to that antibody. It has also adopted the safety guidelines as proposed by the United States Public Health Service "for the handling of blood and body fluids of all persons.... " All appropriate college personnel will be trained in and will follow these procedures.

The college will continue to provide information programs designed to acquaint the community with current information about AIDS and how to avoid or minimize the risks of transmission of the virus.
In addition, any student who is concerned or has questions about AIDS or HIV may contact the Grand Traverse, Leelanau, Benzie District Health Department (Tri-County) in Traverse City, P.O. Box 905, Traverse City, MI 49685-0905, 616-922-4381 or the District Health Department #1 in Cadillac for free counseling and/or HIV testing.
