# F.A.Q'S

## **Is there a cost for students to sign up?**

No, all activities are free. Students will be supplied with everything they need to complete the course. Including a device for assignments.

## **Why should a student participate?**

Kirtland's Kickstart program helps students start strong with campus tours, program exploration, support service connections, financial aid assistance, and essential materials and supplies.

## **Who is eligible to participate?**

Any student who is new to college in the Fall of 2025 and has earned a high school diploma or GED.

## **Can students who have completed dual enrollment or early middle college participate?**

Yes.

## **Are there incentives for students to participate?**

Yes. Students who complete the program will receive meals and a \$20 gas card for every day they are on Campus as well as a backpack with school supplies and a chance to win additional prizes.

## **Does it matter what program a student is planning to enroll in?**

No. Students can pursue any degree or certificate.

## **Do students have to do the FAFSA to participate?**

No.

## **Does a student have to be Pell eligible to participate?**

No.

## **Will a student need to complete the entire program, or can they do certain parts?**

For students to receive awards, students will have to complete the entire program. This is a three day event, all in-person.

## **How do students enroll in the Kickstart program?**

From the Kirtland website, students can access the registration page at [www.kirtland.edu/kickstart](http://www.kirtland.edu/kickstart).

## **Do students need a referral from a school teacher or administrator to participate?**

No. A completed registration form is all that is required. Support from school staff is encouraged to help students to register and to commit to completion.

## **Do students receive college credit from their completion of the English and Math sections?**

There is no college-level credit awarded. Courses will not be listed on a student's Kirtland transcript.

## **Does the English and Math section of Kickstart affect a student's college GPA or college-level course placement?**

The English and Math course components are for support and orientation only, they will not be calculated into a student's college GPA and will not affect college course placement.
