

## Mission

To provide innovative educational opportunities to enhance student lives and build stronger communities.

## Vision

Kirtland will be the first choice for learner-centered education guiding students and communities toward success.

Established in 1966, Kirtland Community College is a two-year college that serves over 17 communities in Michigan's largest community college district. The college offers 38 degrees and certifications across three campuses, and continuously strives to adapt programming to meet economic demands. By fostering a culture of innovation, Kirtland equips students with the tools they need to succeed in fulfilling careers.

A recent federal report cites that Kirtland's cost of tuition and fees is about **\$10,000 below** national average for colleges and universities.

In 2017, Kirtland ranked **24th** in the nation for the best online community college—the only Michigan community college on the list.
