

### Michigan Transfer Agreement

The Michigan Transfer Agreement facilitates the transfer of students from community colleges to four-year colleges and universities in Michigan. By carefully choosing courses, students can earn an associate degree from Kirtland and complete the Michigan Transfer Agreement; however, students do not need to obtain a degree in order to earn the MTA designation. If students want to request the “MTA Satisfied” on their transcript, they should contact the Registrar’s office.

#### Requirements for the Michigan Transfer Agreement

- Minimum of 30 credits.
- A grade of “C” or higher is required for each course.
- One course in English composition.
- A second course in English composition or one course in communications.
- One course in mathematics.
- Two courses in social sciences (from two disciplines).
- Two courses in humanities and fine arts (from two disciplines excluding studio and performance classes).
- Two courses in natural science (from two disciplines) including one laboratory experience.
